Bank Alfalah  
The Way Forward

Alfalah Orbit  
REWARDS

## Welcome to Alfalah Orbit Rewards.

It's a brand new way to bank with us. This is no ordinary loyalty programme. Here we call points 'Orbits' and you can earn them across multiple products. You are no longer limited to earning Orbits just on credit cards. In fact you can earn them on current and savings accounts, debit and credit cards, auto, personal and home loans, Investment products, Bancassurance, SMS alerts, e-statements and transactions through branches, ATMs, Alfa (mobile app) and internet banking, all at the same time.

## Fast Track Option (FTO)

When redeeming an item from this catalogue using Fast Track Option (FTO), you will only require half of the Orbits compared to the regular redemption process. The remaining Orbits required to redeem the reward are converted into a nominal rupee amount, and the difference is then charged to your Alfalah Credit Card. For better understanding, refer to the example explained below:
